## POSSUM MERINO ENSEMBLE

Possum merino silk is a blend of possum fur, superfine merino wool and silk to create a super light, super warm fabric. It is 55% warmer than merino, 35% warmer than cashmere, and unlike cashmere it does not pill or ball and it does not itch the skin, which is good news for anyone who can't wear wool. Interestingly, it has been proven to work successfully for people who suffer from **diabetes**, **Reynaud's syndrome** or have **poor circulation**.

**Price:** Zip cardy: **€220**  
Endless wrap scarf: **€79**  
Slouch beanie: **€45**  
Wristwarmers: **€40**

## THE SOCK YOU DON'T WASH

Made from Merino, Possum and Angora; they boast some great attributes.

- No smell, so sweat, rare washing needed and great longevity for durability.
- Warm in winter, cool in summer and hard wearing yet very soft against the skin.
- Made for welly boot, work boot or hiking boot

**Price: €60**

## FARM VET FARRIER COAT

It may not be an ideal candidate for the catwalk, but this New Zealand farm jacket is an essential addition to outdoor workwear. It has short sleeves, long tail and a warm thermal lining throughout, including the pockets. Plus it has a wax and oil coating, is guaranteed 100% waterproof, and 100% breathable. And it does not tear on barbed wire. Cleaning instructions on the label brings a smile to the face; 'hang & hose'.

Comes in sizes small to 5XL.  
Extensive range of smart casual wear also available.

**Price: €190**
